

DEPARTMENT OF PUBLIC HEALTH
POSTING OF VACANCY
"DPH Employees are strongly encouraged to apply"
MICROBIOLOGIST 2
LABORATORY – Biological Sciences

POSTING DATE: July 17, 2015

CLOSING DATE: July 24, 2015

PLEASE FOLLOW THE SPECIFIC APPLICATION INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: Candidates on a current examination list

POSITION CONTROL NUMBER: 111744DL NOTE: THIS NUMBER MUST BE INCLUDED ON YOUR APPLICATION

LOCATION: 395 West Street, Rocky Hill

SHIFT/HOURS: 1st Shift/35 hours/week

SALARY GROUP/RANGE: HC 22/\$55,443*-\$75,228 (*NEW State Employees)

NOTE: Candidates must have applied for and passed the **Microbiologist 2** exam and be on the current certification list promulgated by the Department of Administrative Services. State employees currently holding the above title or those who have previously attained permanent status in the class may apply for lateral transfer without taking the examination. Applicants will not have the opportunity to take the exam prior to the above closing date to qualify for this particular vacancy.

Preferred Skills:

- Knowledge of and experience in applying Biosafety Level 2 and 3 work practices and controls; understanding of risks associated with biological hazards, including means to control those risks; personal protective equipment; engineering controls; specific bio-safety level work practices.
- Knowledge of and experience in applying available bio-safety standards, such as Biosafety in Microbiological and Biomedical Laboratories and OSHA regulations in a workplace setting.
- Knowledge of and experience in the full range of microbiological testing services performed in clinical diagnostic laboratories; understanding and experience in applying quality assurance and safety practices pertaining to such testing.
- Experience in applying verbal communication skills, including in designing and conducting training sessions for diagnostic microbiologists.
- Experience in applying written communication skills, including in developing and delivering concise biological safety training documents.
- Certification or eligibility for certification by the American Biological Safety Association, ABSA (Registered Biosafety Professional, RBP or Certified Biological Safety Professional, CBSP).

MINIMUM QUALIFICATIONS REQUIRED

KNOWLEDGE, SKILL AND ABILITY:

Considerable knowledge of current theories, principles and practices of biomedical sciences and microbiological disciplines including bacteriology, parasitology, virology and others as they relate to public health; considerable knowledge of current laboratory methods, equipment, instrumentation and material; knowledge of quality assurance and quality control policies and procedures; knowledge of common statistical techniques and ability to make sophisticated calculations; knowledge of universal laboratory precautions; knowledge of basic laboratory hazards and safety; interpersonal skills; oral and written communication skills; ability to perform routine and advanced biomedical, microbiological and biochemical examinations; ability to interpret test results in the context of patient history and epidemiology of disease or agent; ability to utilize computer software.

EXPERIENCE AND TRAINING

General Experience:

Six (6) years of experience in a public health or clinical laboratory involving scientific work in the field of microbiology, biochemistry or molecular biology.

Special Requirement:

One (1) year of the General Experience must have been at the junior working level in the field of microbiology. For state employees this is interpreted at the level of Microbiologist 1.

Substitution Allowed:

1. College training in the natural sciences may be substituted for the General Experience on the basis of fifteen (15) semester hours equaling one half (1/2) year of experience to a maximum of four (4) years for a Bachelor's degree.
2. A Master's degree in the natural sciences may be substituted for the General Experience.

Special Requirement:

1. Incumbents in this class must be willing to periodically undergo tests and immunizations for communicable diseases.
2. Incumbents in this class may be required to have specific education and/or experience to meet various certification and/or licensing requirements.
3. Incumbents in this class may be required to undergo and successfully complete security background checks.

Working Conditions: Incumbents in this class may be exposed to communicable diseases and hazardous substances.

PLEASE NOTE: This position will be filled in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules.

Application Instructions: ANYONE WISHING TO APPLY FOR THIS POSITION MUST SUBMIT A COMPLETE State of Connecticut Application Form for Examination and Employment (Form CT-HR-12), INCLUSION OF A RESUME IS OPTIONAL.
